

## Announcement:

For personal and family reasons I have decided that after 35yrs working for the NHS, and 30yrs as a GP in Stockport, from July 2nd I shall be retiring from medical practice.

I would like to thank all those who have trusted me with their medical care; I consider it a singular privilege to have been your family doctor. I shall leave with many fond memories of my time at Shaw Heath and Bramhall Park, you have taught me a lot about life and medicine.

I leave behind an exceptional team of caring staff, medical and non-medical whom I am sure will continue to deliver the high quality of care and consideration I believe our patients deserve.

With fond best wishes and confidence in the future.
